## **EU project searches for voluntary tourists to support fruit farmers in Franconian Switzerland (Bavaria/Germany)**

### **You want to ...**

- ... go on extraordinary holidays in one of the most beautiful holiday destinations in Germany?
- ... clear your mind and to do something useful?
- ... experience nature, landscape and agriculture?

The District Office Forchheim in Upper Franconia (Bavaria/Germany) creates within the framework of the EU project „Listen to the voice of villages“ together with regional and transnational partners new, sustainable tourism offers. For a unique pilot test in summer 2010 we search for interested tourists who want to support fruit farmers during the harvest (cherries, apples, plums etc.), fruit processing, in housekeeping or children.

### **We provide**

- ... an unforgettable holiday adventure
- ... new experiences and contacts
- ... board and lodging for free
- ... the chance to create something new in a transnational context

### **You have**

- ... at least one week time in a short term (July – September 2010)
- ... fun to work together and in the nature
- ... a self-organised arrival
- ... a health insurance and private liability insurance
